Options for Giving at This Time

Cash / OnLine

Financial control is a common means of abuse and providing women with the means to shop for their families, while fleeing family violence, is incredibly empowering.

Gift cards

Gift cards are welcome but many people are not aware that they typically take five times longer to process than cash and therefore, require more staff/volunteer hours. With cash, we can purchase gift cards from stores that target our needs and often we can negotiate a volume discount.

Essential Items

Essential items are needed throughout the year. Some of these items vary with the time of year. See the basic essentials list currently needed below.

*Due to health and safety concerns, we **cannot accept used** clothing and toys.

*We **cannot accept new or used** furniture, small appliances and household items.

*We do not take hotel/travel size due to the length of stay that clients are at the Shelter.
